Tiles, Surface & Deep-Water Cleaning

Pool Refurbishment

Major repair works such as changing of tiles, pool improvement, upgrading, etc.

Tiles Replacement

The background image shows a large swimming pool with blue mosaic tiles. A worker in a red shirt is visible on the left side of the pool. Two circular inset images are overlaid on the background. The top-left inset shows two workers in red shirts and blue jeans working on the pool's edge. The bottom-right inset shows a worker in a red shirt and blue jeans working on the pool's edge, with another worker in a blue cap visible in the foreground.

Pool Repair Works

Minor repair works such as repair damaged tiles, repair of water pumps, replacement of underwater lights, etc.

Changing foot valves

Changing Valves

Fixing new salt machine, filter & light

Replacement of underwater light

Energy Saving, Intelligent, Power Pack

The Hydrochlor Mineral Chlorinator includes an energy saving, intelligent power pack that makes it easy to keep your pool sanitised and healthy to swim in.

Heat Pumps for Swimming Pools
extend the season or swim year round

Digiheat

Digiheat inline electric spa heaters are versatile and easy to use. Program your desired water temperature and let Digiheat do the rest.

- Digital temperature management & self diagnosis
- Corrosion resistant heating element
- Streamline weather proof housing
- Available in sizes 2.4, 3.6, 4.8, 6.0, 18 & 24 kW

AIRFLO AND WHISPERAIR BLOWERS

Whisper quiet performance

Enjoy the soothing effects of powerful, invigorating bubbles in your spa without excess equipment noise.

- Whisper quiet operation
- Hi-flow air movement
- Compact design
- Variable mounts

TRIMLINE CARTRIDGE FILTERS

Compact and Economical Filtration

Trimline cartridge filters are compact, economical filters designed to effectively filter out suspended solids from your pool.

Trimline cartridge filters utilise a specially treated synthetic fabric which is pleated into a cartridge. Cartridge filters are ideal for applications where backwashing may not be practical.

MICRON FIBREGLASS FILTERS

Proven Strength and Durability

HIGH PERFORMANCE *PUMPS*
